## **Digital Sustainability Consulting**

**Work with Wholegrain Digital, world leaders in Digital Sustainability and pioneers in the field to achieve your net zero goals and help contribute to greening the web.**

**A few lovely companies we've worked with**

# Want to work with us? Let's make it happen!

## Our services

# Website Carbon Badge

## Tell your visitors about your carbon emissions

### Show your carbon credentials

The badge can be added to the footer of any website to automatically calculate and display the carbon emissions of each page.

### Open Source API

We have an API for Website Carbon available for use in integrating website carbon calculations into other tools and workflows.
