

Health Education

Grade 1-6 | Age 7-12

My Pals are Here! 健康教育力求讓每個孩子儘早養成良好的終身健康習慣的重要性。研究表明，以行為為中心的信息在教導兒童健康習慣方面是有效的。考慮到這一點，本系列避免使用對兒童來說可能是抽象的一般性陳述。同時，在健康教育教學中採取積極的態度。引入了對社交和情感學習 (SEL) 的關注，以培養信心和情感彈性。最終，本系列旨在為學生提供堅實的知識基礎，從中他們可以分析自己的健康習慣，並使他們能夠為健康的生活方式做出明智的選擇。

My Pals are Here! Health Education strive to Install in every child the importance of adopting good lifelong health habits early. Research has shown that behavior-focused messages are effective in teaching children health habits. With that in mind, this series has avoided the use of general statements which may be abstract to children. At the same time, it adopts a positive approach in the teaching of Health Education. A focus on Social and Emotional Learning (SEL) is introduced to develop confidence and emotional resilience. Ultimately, this series aims to give students a firm knowledge base from which they can analyze their own health habits and enable them to make informed choices for a healthy lifestyle.
