

Microsoft 365 Teams + 碩網對話式人工智能**Microsoft 365 HelpDesk**

The image shows two side-by-side screenshots of the SmartWork Microsoft 365 HelpDesk interface. Both screens show a Microsoft Teams-like chat window with a sidebar containing various contacts and a search bar. The left screen displays a message from 'SmartWork Chat' asking about Microsoft Teams integration. The right screen shows a message from 'SmartWork Chat' asking for a reason for a leave request. A text input field at the bottom of both screens is labeled 'Type your question here'.

請假申請作業

The image shows three screenshots of the SmartWork leave application process.
 1. The first screenshot shows a message from 'SmartRobot-Demo' asking for a leave application. It includes a note about finding a replacement and a button to choose between '打卡' (Clock In) or '請假' (Leave).
 2. The second screenshot shows a message from 'SmartRobot-Demo' asking for leave details. It lists '員工姓名:王小碩 (員編:D2298960853)' and buttons for '事假' (Annual Leave), '病假' (Sick Leave), '特休' (Public Holiday), and '婚假' (Wedding Leave). It also shows a keyboard and a note: '後天開始請事假五天'.
 3. The third screenshot shows a message from 'SmartRobot-Demo' confirming the leave application. It lists '職員:王小碩 2019/09/29~2019/10/03 - 假別:特休 - 天數:5 天 因由:送辦處理私事'. It includes a confirmation button and a note: '最後確認所有的請假資訊，就完成了！'.
