

iDO Viewer

In JRC 2012 Dr. Suzuki praised EBM mobile PACS viewer for its high performance on images retrieving and viewing.

- o **Improve physician efficiency**
Physicians can access images anytime, anywhere over 3G or Wi-Fi.
- o **Improve patient satisfaction**
Physicians can use iDO Viewer to explain the condition of patients in the ward.
- o **Support for all modalities**
CR, ECG/EKG, DR, CT, MR, US, XA, NM, SC, PDF, MPEG4, etc.
- o **Higher privacy**
No data resides on device.
- o **Support HIS integration**
