

WHAT IS MINECRAFT: EDUCATION EDITION

Minecraft: Education Edition is a collaborative and versatile platform that educators can use across subjects to encourage 21st-century skills.

Assess and Reflect

The camera and portfolio allow students to take screenshots of their work and document their progress.

Immersive Learning

Non-Player Characters act as tour guides in the game, extending learning by linking to additional resources.

Classroom Collaboration

Students can work together in pairs or groups simply by joining their classmates' world.
