A trusted brand

is paying off.

To investigate longer-term trends, we again turned to customer research to determine the rea why consumers were turning to the Adventure Works brand in droves. Not surprisingly, the wo wide recession that began in 2008 has been a major factor. With less discretionary income, cons ers have a tendency to turn to trusted brands they perceive to be decent quality yet still a ter value for the money.

nies' core values, proving that Adventure Works' and Adventure Works' shared approach to busin
