

宏碁智慧報修系統

The login interface for the Acer Repair System. It features the Acer logo at the top, followed by the text "報修系統維護" (Repair System Maintenance). Below this are three input fields: "使用者帳號" (User Account), "使用者密碼" (User Password) with a toggle icon, and a CAPTCHA field labeled "驗證碼" (Verification Code) with a "刷新驗證碼" (Refresh Verification Code) link. A large "登入" (Login) button is at the bottom.

The dashboard for the Acer Repair System, titled "系統管理員" (System Administrator). It displays various statistics and a search bar. The statistics are organized into two rows of cards:

今日報修	今日接單	今日受理	本月報修	本月受理
0	0	0	0	0

已報修	已接單	缺件中	維修中	待驗收
3	0	1	2	0

Below the statistics is a search bar with fields for "狀態" (Status), "報修序號" (Repair Number), "產品名稱" (Product Name), "城市" (City), "報修單位" (Reporting Unit), "維修廠商" (Repair Vendor), "報修人" (Reporter), and "報修時間" (Reporting Time). A "搜尋" (Search) button is on the right.
